

2011 Hui Print Calendar:

The annual Hui Printmaking Studio Calendar is the fruit of the labor of twelve Maui artists active in the printmaking program.

Each year the fine art limited edition prints are created and assembled by this dedicated group of volunteers.

Etching, woodcut, photogravure--the prints measure roughly 8x8 inches and are designed to be removed easily from the calendar page for framing.

Limited to an edition of 30 the calendar sells out quickly every year.

All proceeds go directly to help community printmaking programs at the Hui--one of the most dynamic print studios in the state of Hawai'i.
